This exclusive concert will feature a stellar lineup of talent--renowned singers, Grace Anthony Larry Baldwin, Tara Brinkman, Marjorie Hamon, John Laird, Jacob Shearer, Veronica Surber, Oliver Taylor, and Lindsey Villanueva-Taylor —names you know and love from our past productions. Singers will be accompanied by two exceptional pianists: Debbie Lagomarsino and Thomas Grandoli, with Chad Stevens serving as our MC. Together, they will bring to life beloved Broadway classics as well as hidden gems from the musical theatre world, ranging from the powerful anthems of *Les Misérables* to the enchanting tunes of *Funny Girl* and the lively rhythms of *Guys and Dolls*.

Experience the warmth of an intimate gathering with delectable appetizers, desserts, and a selection of fine wines, beers, sparkling beverages and a signature cocktail. It’s more than a concert—it’s an evening among friends supporting the arts.

Your support is crucial. Proceeds from this event will help fund our enchanting upcoming performances, including *Cinderella* and *Charlotte’s Web*. By joining us, you ensure that Wine Country Theatre continues to thrive and enrich our community with exceptional live theatre.

Celebrate a decade of magic with us! As we embark on our tenth season, we reflect on the journey we’ve shared with you, our devoted supporters. This celebration is as much yours as it is ours, and we look forward to making more memories together.
